Dear Friends,

Canada is a nation that derives strength from the diversity of its population, tradition of tolerance and multiculturalism. For over two centuries, Polish immigrants have contributed to Canada's history, traditions, customs, church, economy, politics, trade, science, art and culture. Today in Canada, there are more than 1 million people of Polish descent.

This year is a very special one for our organization; it marks the Twentieth Anniversary of the Association and its contributions to the community, Polonia, Canada and Poland. We supported and promoted initiatives of the Canadian-Polish business community, for example, the official opening of the European Market (1999); a variety of community cultural events, such as the Polish Weeks in Windsor (2002, 2004, 2006, 2008, 2013); the publication of the book "One Century of the Polish Community in Windsor 1908-2008"; the national petition for the waiving of visa requirements for Poland (2008); a number of national displays, such as the one about Sir Casimir Gzowski; and the activities of the youth leaders of Polonia, for example, the Canadian-Polish Young Leaders Conferences Quo Vadis (2009-2014).

This year marks another anniversary, the 15 years of cooperation with Windsor's twin city of Lublin. Examples of our benefits from this relationship are the gift from Lublin to Windsor of the Goat Fountain brass sculpture and last year the creation of the display, Pope John Paul II, Poland's Gift to the World, arising out of cooperation between the Catholic University of Lublin and our organization, with the support of Polonia.

This year, we helped to co-ordinate a visit by young Polonia leaders to Parliament Hill, in Ottawa, and Mayor of Windsor to Lublin. Also we recreated a display about Maria Skłodowska-Curie and produced a new display on Alexandre-Édouard Kierzkowski, an MP of Polish heritage in the first Canadian Parliament.

It is impossible to list all of our activities and so just a few scenes from the past twenty years are presented in this booklet. Thank you for your support. Now you are part of Polonia's success in Canada. I shall end this note with a remark taken from SPARCS, the Polish Youth Programme: "20 years behind us and we are just sparking the flame, in the hope that the best is yet to come". Thank you for adding your log to our flame. Do not stop feeding the flame. Keep us warm and strong for the next 20 years.

Thank you, dziękujemy,

Jerry Barycki

THE CITY OF WINDSOR

OFFICE OF THE MAYOR

DREW DILKENS, DBA
MAYOR

November, 2015

THE CITY OF WINDSOR IS HONOURED TO JOIN THE
POLISH-CANADIAN BUSINESS AND PROFESSIONAL ASSOCIATION OF WINDSOR
IN CELEBRATING THEIR 20TH ANNIVERSARY AND THE 15TH ANNIVERSARY OF
THE TWINNING AGREEMENT BETWEEN LUBLIN AND WINDSOR

The strong relationship that has been forged between the City of Windsor and the Polish Community has been vital in the shaping of our proud multicultural identity.

The Polish Community has played a significant role in the historic narrative of Windsor's economic and cultural identity. The Polish-Canadian Business and Professional Association of Windsor is an integral part of the Polish Community and a well-respected organization in Windsor. The Association has helped many Polish businesses across the City succeed and has worked hard to develop many young Polish professionals into community leaders. These activities are particularly important to Windsor as it looks to support entrepreneurs and create jobs.

The Polish-Canadian Business and Professional Association of Windsor played a significant role in facilitating the twinning agreement between Windsor and Lublin. This twinning has been mutually beneficial for both cities and has been one of Windsor's most active. Over the past 15 years, this relationship has led to many visits, trade missions and joint initiatives between our post-secondary institutions.

On behalf of Windsor City Council, I would like to thank Polish Business and Professional Association of Windsor for their service to the community and congratulate them on their 20th anniversary.

Sincerely

Drew Dilkens

Mr Jerzy Barycki

Dear Sir ,

I would like to cordially thank you for the invitation to celebrate the 20th anniversary of Polish Canadian Business and Professional Association of Windsor. I am even more delighted since this year we mark the 15th anniversary of partnership between Windsor and Lublin.

It is worthy of note that it was on the initiative of the Association that this partnership agreement was signed. Hence, I want to take this opportunity and congratulate Polonia in Windsor on such a glorious jubilee. It is on this occasion that I reminisced about numerous initiatives that we had undertaken together, suffice it to mention here a series of Polish Weeks in Windsor, publication of a book "Lublin - Windsor. Partnership in the context of the history and the present", or the exhibition entitled "Pope John Paul II: Poland's Gift to the World" created in conjunction with the Catholic University of Lublin.

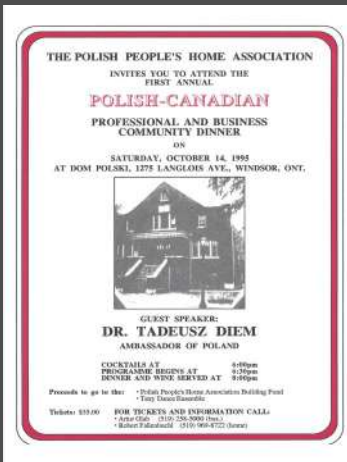

I am aware that as in previous years, the Association will celebrate its anniversary by hosting a gala dinner with prominent guests in attendance. Unfortunately, I will not be able to have the pleasure of attending the ceremony due to prior commitments.

Nevertheless, on behalf of the City of Lublin, and myself, I would like to ask you to accept and convey our best regards to each and every Member of the Association and to the guests at the reception and by the same token please be assured of my continuous support for any further projects.

Yours sincerely,
